Sir/Madam,

With reference to the subject and references cited above, the request submitted by Sri Kadasiddheshwar Public School, Hukkeri, for issuance of the required Safety Certificate for the school building has been considered.

As per the Government Circular referred to at Reference No. 1, instructions have been issued regarding the safety/stability certification of existing buildings of educational institutions.

Accordingly, the existing school building was inspected and the necessary particulars/documents were examined in accordance with the prescribed procedure.

The competent technical authority has examined the building with reference to its structural condition and the relevant requirements. The necessary certificate is being issued in accordance with the applicable Government instructions and the prescribed procedure.

It is further instructed that the school shall maintain the building properly and ensure that its structural safety is not compromised.

The certificate shall remain subject to the following conditions:

1. No unauthorised structural alteration or addition shall be carried out in the building.
2. The building shall be properly maintained and its condition shall be periodically inspected.
